

# Marketing and business development writing workshop

Intermediate level

Content is once again king. This session helps delegates explore and practice a variety of writing styles – as a journalist, direct marketer, brand spokesperson, digital native, salesperson – to improve the effectiveness of various marketing and business development activities.

Delegates will be encouraged to bring along examples of their writing so that they can diagnose issues and create improved versions.

This session qualifies for 3.5 hours CPD

## Trainer

**Kim Tasso** has worked within and for over 200 professional partnerships in the legal, accountancy and property sectors for over 20 years and continues to do so as a management consultant.

She also has direct client exposure from working with organisations in the technology, education, creative, media, real estate and not-for-profit sectors and through her work with a leading business school.

Unusually, she combines psychology, marketing and business qualifications so is effective both as a professional trainer, facilitator and coach and also as a subject matter expert in a variety of strategy, marketing, selling and relationship management topics.

She is highly rated as a trainer and coach for lawyers, accountants and surveyors and also lectures on Chartered Institute of Marketing (CIM) professional marketing qualifications for Cambridge Marketing College.

She is the author of books on growth strategies, business development, media relations and business development and a prolific conference speaker and journalist. She is commissioning editor for PM magazine.

## Why PM Forum training?

Courses are designed and delivered by **qualified and experienced professionals** who:

- have substantial experience working with both **senior fee-earners and marketing/business development professionals** in large and small professional service firms across the **legal, accountancy and property industries** as well as a variety of client markets
- have psychology credentials and many years' experience in **learning and development** to ensure an optimum learning experience
- are **subject matter experts** in strategy, marketing, selling, client relationship management and interpersonal skills who continue to practice and are therefore familiar with the latest developments

And delegates receive a **productive learning experience** because:

- There is a balance between knowledge transfer and active learning through **interactive discussion** and group exercises
- Courses are highly **experiential** – where idea sharing and networking are encouraged
- As well as copies of the presentation material, courses also include work sheets and **supplementary materials** with guidance for further learning. Some courses have exclusive booklets tailored to the needs of delegates
- Course leaders are experienced coaches with experience in **career development** and certificates of completion are issued for use in **Continuing Professional Development (CPD)**
- Dialogue can continue after training through members-only LinkedIn communities
- Only PM Forum members can attend events
